Michelle Etheridge · Co-Founder & Owner / Author, Speaker, Facilitator

Hi Elisabeth,

I am the co-founder and owner of Women In Business RVA, a community designed to help women professionals grow their business

through networking and workshops. We are very interested in holding workshops in the Power Play RVA space.

We hold workshops and/or panels that accommodate anywhere from 5 to 25 women. We might also want to use it as a meeting space for

the board.

I look forward to hearing from you with more information on using your space.

Sincerely,
